Hi Bernward/Jim:

Update on a few deliverables:

- 1) Scoping meeting report
- Cooperating agency meeting

I took a quick look at this report and do not see the need to make changes but I will be reviewing it in more detail and will provide comments in track changes by tomorrow.

- Scoping meeting transcript :

Bernward - were you able to find the name of the person in the transcripts named "the voice". Do you need the project team 's assistance?

(I have notes and may have the name).

- NOI written comments"

As part of the written comments that were provided on the NOI. We have received several to our ELIS address.

I will send them to you tomorrow.

For documentation, you can say that the written comments were provided to EPA via the ELIS@epa.gov email address.

I will send you the dates and time for the comments etc.

Comments will be provided as pdf files.

thanks
